Residential on 0.33 Acres

Star Lake, Pensacola, FL

Welcome to your next home in the peaceful, waterfront neighborhood of Star Lake! Tucked away in the sought-after Pensacola Country Club area, this 4-bedroom, 2.5-bath home has tons of updates, character, and space. In 2000, the owners added a spacious primary suite with cathedral ceilings, big windows for natural light, and plenty of room for a sitting area. The ensuite bathroom has that timeless black and white tile, a whirlpool tub, separate shower, and dual vanities and lavatories. A new 2-car garage and stucco exterior were also part of the update. The inside has a split floor plan with original hardwood and tile floors, crown molding, and chair rail. One of the bedrooms is lined with beautiful tongue-and-groove real hard wood paneling and built-in bookshelves, making it the perfect spot for a home office or cozy reading nook. A wide hallway leads to the private owner's wing, with a handy half bath and a laundry room with cabinets and a utility sink. Outside offers a wooden back deck with private shower. There's a brick paver circular drive, a breezeway to the garage, and a well-fed sprinkler system to keep the lawn looking great without running up your water bill. This home is full of charm and smart updates in one of Pensacola's favorite neighborhoods. Don't miss out on this one—it's got space, style, and location all wrapped up in one!
