This location offers the perfect balance of walkability, charm, and convenience. 5 bedrooms, 3 full bathrooms, and over 3,280 square feet of beautifully updated living space, a rare blend of old-world craftsmanship and modern convenience. The heart of the home is a fully renovated chefâ€™s kitchen, featuring a large kitchen island, a Z-Line 6-burner gas range with a griddle and a pot filler, twin side-by-side fridge/freezer, dishwasher, GE trash compactor, and beautiful custom cabinetry. The original hardwood floors, five fireplaces (three converted to gas), and the detailed woodwork showcase the character of the home, while modern upgrades like newer windows, spray foam insulation, composite decking, and a 2024 full exterior repaint add comfort and peace of mind.
